Who We Are & What We Do

Welcome to Plough Lane Stadium, the hub of sports, events, conferences and private hire facilities in Wimbledon. Home to AFC Wimbledon, the 9,300 capacity stadium offers unrivalled event space.

In 2002, AFC Wimbledon rose from the ashes coming out of adversity through grit, determination, and an enduring passion for our club. We are now globally recognised for proving what the power of fans can achieve.

The next chapter of this incredible journey is here: 29 years since we played our last game at Plough Lane, our infamous old ground. Against all odds we are back at our new stadium just a stone's throw away from the previous site on Plough Lane, and we are excited to share our new stadium with you.

Featuring state-of-the-art facilities, outstanding catering from Elixir UK and first-class service, Plough Lane Stadium is the perfect setting to host an array of corporate and private events. The venue boasts a series of stunning suites and executive boxes featuring spectacular pitch views that can host events ranging from 10-700 guests.

What People Say

"It's been a long time coming, but away from the football pitch the stadium is now open for business! We are a football club that is continuing to grow in strength, and that's down to our brilliant fans who made this dream possible. I am proud of the hard work from the club staff, the Dons Trust as well as all of our volunteers, and we are delighted to now be opening up our fantastic event spaces here at Plough Lane.

Anyone looking to hire please do get in touch, the team here at Elixir UK will be happy to help as we look forward to more exciting times ahead for AFC Wimbledon!"

Joe Palmer CEO AFC Wimbledon

"The facilities are second to none. I have been with the club for the last 20 seasons. There has never been anything like our facilities in Wimbledon or the surrounding areas.

It is so exciting to see our community starting to use the facility and knowing we have created a legacy that will continue for many a long year."
